

MODEL AIRPLANE HISTORY

HAS BEEN MADE
by
CLEVELAND

just as Air Race history has been made yearly by the Thompson Trophy winners, and here you have the complete 6-year line-up, which you should start building before this year's winner is announced—to be added to your C-D fleet later.

DEALERS

Everyone who really takes modelbuilding seriously says there are no better designed, more authentic flying models—nor more complete Kits—than C-D's. More and more modelbuilders are demanding them, for once they build a C-D, they just can't be satisfied with ordinary models. Every 3/4" Kit is super complete—it creates good will for you, and steady repeat sales. C-D's will help you develop a real model airplane business—don't delay featuring them. Write at once for our dealers' proposition. Schools and clubs write for club plan.
