BY BERRY BROTHERS!

FIRST PRIZE \$50

SECOND PRIZE \$25

THIRD PRIZE \$15

FOURTH PRIZE \$5

AND 10 ADDITIONAL PRIZES OF \$1 EACH

BOYS! YOUNG MEN! Actually, you may win a crisp, fat check for \$50—or any one of 13 other big cash prizes—just by making a model airplane and writing a letter! Imagine! This great contest sponsored by Berry Brothers—maker of world-famous airplane finishes—is as simple as that! Everybody has a chance—and there's nothing you need buy to enter. Here's how to win:

Make a 1/2" scale flying model of the Waco Custom Cabin Plane illustrated on the front cover of this magazine. Color it in the same design. Photograph the finished model. Then write a 50-word letter on "Why I Like Berryloid Aircraft Finishes" and send it, together with the photograph and

a label (or facsimile) off the top of model kit shown below. Address: Contest Judges, Berry Brothers, Lieb St., Detroit, Mich. Literary skill counts nothing. If your letter is considered one of the clearest and most logical, you win a big cash prize!

Think of it! That's absolutely all you have to do. And to make this contest even easier, Berry Brothers has prepared a special kit for you to work with, a genuine C-D by the world-famous designers of fine scale flying models, the Cleveland Model & Supply Co., Inc. But read about it below. Then act—today—to get your share of the prize money!
